

1. Common page

Login: according to userName and password to verify the user's identity, and to go to a corresponding page.

A login form is centered on a semi-transparent white background. The background image shows a river, trees, and buildings. The form contains two input fields: 'UserName:' with the placeholder text 'userName' and 'Password:' with the placeholder text 'password'. Below these fields is a large orange button with the text 'Login' in white.

Personal info edit:

The screenshot shows a web application titled 'STAFF TRAINING SYSTEM'. The left sidebar has a 'MAIN' menu with 'MyTraining', 'Info', and 'Logout'. The 'Info' option is selected. The main content area is titled 'MyTraining / Info / InfoEdit'. It contains a form with the following fields: 'RealName:' with the value 'wenbo', 'PhoneNumber:' with the value '6874165974', and 'Email:' with the value 'wenbo@gmail.com'. Below these is a 'Picture:' field showing a painting of a person in a pink robe. At the bottom, there is a file selection button labeled '选择文件' and the filename 'wen.jpeg'.
